

1825 CENSUS - GASPE COUNTY - LOWER CANADA

FILM NO. C-718

PLEASE NOTE THAT, PRIOR TO 1831, THE SOUTHERN PART OF THE GASPÉ COAST BORDERING THE BAY OF CHALEUR WAS KNOWN AS GASPÉ COUNTY. DURING THE PERIOD BETWEEN 1825 AND 1831 THE COUNTY WAS DIVIDED. THE WESTERN SECTION WAS NAMED BONAVENTURE AND THE EASTERN PART RETAINED THE NAME GASPÉ.

TOWNSHIPS ENUMERATED IN 1825 WERE AS FOLLOWS:

CAP CHAT	CAPE DESPAIR

FOX RIVER	NEWPORT
L'ANSE AUX GRIFFONS	PORT DANIEL
GRANDE GREVE & ENVIRONS	HOPETOWN

L'ANSE AUX BEAUFILS	INDIANS

NOTE: Data was read in the sequence filmed, beginning with what is now known as Gaspé County. The format used for recording information in this section of the County was two pages, which were not properly aligned during filming. This made it nearly impossible to read and balance the volume of entries, so only the basic listing of Heads of Family and number of family members is listed below. The western part (now Bonaventure) was recorded on one page which was easier to read but it was decided to continue with the same format for all townships.

This purpose of this listing is to enable searchers to determine if the names they are looking for were on the Gaspé Coast at that time. The sex, age grouping, marital status and religion (in the case of Gaspé County **only**) is indicated on the film. All names have been written exactly as they were recorded by the enumerators. No attempt was made by us to include corrections as many of the names are not familiar to us.

If you wish to have further information on any of the families in this Census, please contact us at the address shown below, and we will be happy to assist you:
